## Personal Profile:

Full-stack developer with 2 years of experience in e-commerce, having previously worked in account and content management. Learning programming since October 2019 which has been consolidated over the last 3 months at a code academy building websites and full-stack MERN applications. This is complemented by an interest in design and graphics – a skill developed in free time as a personal hobby.

## Experience:

<b>Nov'17 – Nov'19</b>	<b>Wayfair GmbH</b> <b>Supplier Merchandising Manager</b> Responsible for the management of 70+ supplier accounts, advising them on best-in-class content and media to drive customer engagement with their products on-site. Also responsible for a number of side-projects related to process improvements, newsletters and supplier webinars.
<b>Jun'14 – Nov'17</b>	<b>Facilitas</b> <b>Content Management</b> Working for a family-owned news website. Responsibilities included marketing, website analytics, databasing and website content creation. Also played a role in website design and layout.

## Education:

<b>Code Academy</b>	<b>Ubiquim Code Academy Berlin</b> <b>3-Month 500hr Full-Time On-Site MERN Stack Course</b> Completed 4 full-stack projects with a main focus on Javascript and React. Worked learning-by-doing under a sprint-based agile project management environment. Also worked using Slack and Trello.
<b>BA (Hons)</b>	<b>Henley Business School</b> <b>International Business Management with German</b> Overall Classification: 2:1
<b>Erasmus Diploma</b>	<b>Universität Potsdam</b> <b>Erasmus Study Abroad Programme</b> 1 year studying German and Business modules in the German language.

## Recent Projects:

<b>Apr'20</b>	<b>myltinerary Travel Web App [IN PROGRESS]</b> HTML   CSS   Javascript   React   MongoDB   Express   Node
<b>Feb'20</b>	<b>E-commerce Bookstore [LINK]</b> HTML   CSS   Javascript   Ajax   React
<b>Feb'20</b>	<b>US Congress Transparency Website [LINK]</b> HTML   CSS   Bootstrap   Javascript   Ajax
<b>Jan'20</b>	<b>Youth Football League Website [LINK]</b> HTML   CSS
